

WR

SKIN. DERMATOLOGY

- 1 Societies
- 11 History
- 13 Dictionaries. Encyclopaedias. Bibliographies
Use for general works only. Classify with specific aspect
- 15 Classification. Nomenclature
- 16 Tables. Statistics
- 18 Education and training
Include educational materials for both teaching and study
- 19 Schools, departments and faculties
- 20 Research. Research design
Include research to support evidence-based practice
Classify research on a specific subject with the subject
- 21 Dermatology as a profession. Careers
Include ethics, accountability, etc
- 23 Laboratories
- 25 Laboratory manuals. Techniques
Include experimental works on skin grafts scar tissue
- 26 Equipment and supplies
- 26.5 Use of computers, IT and telecommunications technology
- 27 Health services. Hospitals, clinics
Include health service policy and planning
- 32 Laws
- 33 Discussion of laws

- 75 Popular works on skin care
- 100 Dermatology. Skin. General works
Classify here works covering the specialty and diseases. See WR140 for diseases only
- 101 Anatomy, histology, embryology
Include fingerprints, dermatoglyphics; congenital abnormalities of skin
- 102 Physiology
Include chemistry and metabolism of the skin. Skin temperature. Sensory functions
See WL150-WL195 for neurological aspects
- 103 Skin biology
Include photobiology
- 104 Immunology
- 105 Pathology. Dermatohistopathology
- 110 Microbiology

SKIN DISEASES

- 140 Skin diseases. General works
See WR670-680 for paediatric and geriatric dermatology
- 141 Diagnosis. Monitoring
- 143 Skin manifestations of internal disease
- 144 Symptomatology, e.g. pruritis. Callosities
- 145 Therapy of skin diseases. General works
Include surgery and cryosurgery
See WR640 for use of lasers in cutaneous disorders
- 146 Drug therapy
- 147 Radiotherapy. Ultraviolet therapy

148 Nursing management of skin diseases. Care of the patient

149 Psychological and social aspects of skin diseases

SKIN DISEASES BY PARTS OF THE BODY

150 Facial dermatoses
Include periorbital region

152 Trunk

154 Genital region
See WC140-160 for sexually transmitted diseases

156 Limbs, hands and feet
See WR475 for nail diseases

DISEASES OF THE EPIDERMIS

157 Diseases of the epidermis. General works

158 Eczematous dermatitis. Include neurodermatitis

159 Eczema

160 Allergy and hypersensitivity. Patch testing
See WD300-330 for hypersensitivity in general

165 Allergy to drugs. Cutaneous side effects

170 Urticaria. Angioedema

175 Contact dermatitis

185 Occupational dermatitis

195 Localised allergies, e.g. cosmetics

200 Disorders of cell kinetics and differentiation. General works and those not specified elsewhere

205 Psoriasis

- 210 Ichthyosis
- 230 Vesicular and bullous disorders. General works and those not specified elsewhere
- 235 Erythema
See WD735 for systemic lupus erythematosus (SLE)
- 240 Pemphigus
- 245 Dermatitis herpetiformis
- 265 Abnormalities of pigmentation. Lentigo. Vitiligo

DISEASES OF THE DERMIS

- 270 Diseases of the dermis. General works
- 275 Lichen planus

INFECTIOUS SKIN DISEASES

See also WC for infectious diseases in general

- 280 Infectious skin diseases. General works
- 285 Bacterial, e.g. impetigo, boils
- 300 Fungal. Dermatomycoses, e.g. tinea, ringworm, candidiasis of the skin, maduromycosis
See WC450 for mycoses in general
- 320 Rickettsial and viral diseases
See WC500-600 for viral diseases in general
- 325 Verrucae. Warts
- 360 Parasitic skin diseases
See also WC695-885 for parasitic diseases in general
- 365 Scabies. Pediculosis
- 370 Tropical dermatology
See WC680 for tropical diseases in general

SKIN APPENDAGES

390 General works on more than one appendage

400 Sweat glands and their disorders

410 Sebaceous glands and their disorders

415 Seborrhoea

420 Sebaceous cysts

430 Acne. Acneform lesions

450 Hair. Scalp. Diseases of the hair and scalp

455 Hypertrichosis

460 Alopecia

465 Care of the hair

475 Nails. Diseases of the nails

NEOPLASMS

500 Neoplasms of the skin

510 Malignant melanoma

ULCERS

598 Pressure sores. Decubitus ulcer. Bed sores. Skin ulcers
See WG620 for leg ulcers e.g. varicose ulcers; WE920 for foot ulcers

ASPECTS OF BEAUTY CARE

See WR195 for allergy to cosmetics

600 Beauty therapy. General works and those not specified below

610 Tattooing and its removal

620 Scars, birthmarks etc e.g. body modification. Body piercing

630 Skin camouflage

640 Use of lasers in cutaneous disorders

DERMATOLOGY FOR PARTICULAR AGE GROUPS

670 Paediatric dermatology

680 Geriatric dermatology
