

WV
OTORHINOLARYNGOLOGY.
EAR, NOSE AND THROAT MEDICINE

- 1 Societies

- 11 History

- 13 Dictionaries. Encyclopaedias. Bibliographies
Use for general works only. Classify with specific aspect where possible

- 15 Classification. Nomenclature

- 16 Tables. Statistics

- 18 Education and training
Include educational materials for both teaching and study

- 19 Schools, departments, colleges

- 20 Research. Research design
Include research to support evidence-based practice
Classify research on a specific subject with the subject

- 21 Ear, nose and throat (ENT) medicine as a profession. Careers
Include ethics, accountability, etc

- 22 Directories

- 23 Laboratories. Institutes

- 25 Laboratory manuals. Techniques

- 26 Equipment and supplies

- 26.5 Use of computers, IT and telecommunications technology

- 27 E.N.T. services. Hospitals. Clinics
See also WV595 for hearing aid clinics
Include health service policy and planning

WV Otorhinolaryngology. Ear, Nose and Throat Medicine WV

- 32 Laws
- 33 Discussion of laws
- 100 Otorhinolaryngology. E.N.T. General works
 Classify here works covering the specialty and diseases. See WV140 for works on
 diseases only
- 101 Anatomy. Physiology. Biochemistry. Embryology. Abnormalities
- 140 Diseases of the ear, nose and throat. General works
- 141 Symptomatology. Diagnosis. Monitoring
- 150 Foreign bodies. General works
 See also with the specific parts
- 168 E.N.T. surgery
- 170 E.N.T. nursing. Care of the patient in general
- 180 Intracranial complications of E.N.T. diseases

PARTS OF THE SYSTEM

Classify with the specific part or disease where possible

LARYNX

- 200 Larynx. Voice production. Include diseases. General works
 See WL750 for physiology and neurology of speech
- 201 Anatomy. Physiology
- 205 Laryngoscopy
- 210 Inflammation. Laryngitis
- 230 Vocal chords
- 235 Paralysis
- 238 Neoplasms

WV Otorhinolaryngology. Ear, Nose and Throat Medicine WV

240 Surgery. Laryngectomy. Artificial larynx

245 Alaryngeal voice production
Include electronic aids

NOSE AND PARANASAL SINUSES

Classify works on diseases with the part concerned

300 Nose and paranasal sinuses. General works

301 Anatomy. Physiology. Olfaction. Smell

303 Neurological basis of smell

305 Psychology of smell

310 External nose

312 Plastic surgery

320 Nasal septum

335 Rhinitis. Hay fever

340 Paranasal sinuses

345 Sinusitis

PHARYNGEAL REGION

See also aspects in WU and WI

400 Pharyngeal region. General works. Include oropharynx

401 Anatomy. Physiology

410 Pharynx. Uvula. Palate. General works on diseases. Include pharyngitis
See also aspects of WU

420 Neoplasms of the pharynx and oropharynx

430 Tonsils. Adenoids

435 Tonsillitis. Tonsillectomy

WV Otorhinolaryngology. Ear, Nose and Throat Medicine WV

440 Cleft lip. Cleft palate

EAR

500 Ear. General works
See WV515 for diseases only

501 Anatomy. Physiology

510 Examination. Diagnosis. Otoscopy

515 Diseases of the ear. General works
See also with specific parts listed below

520 External ear

522 Ear canal. Foreign bodies. Cerumen. Include syringing

525 Tympanic membrane

530 Middle ear. Eustachian tube. Temporal bone. Petrous bone

532 Otitis media

533 Mastoid region

550 Inner ear. Labyrinth. Cochlea. Include cochlear implants

552 Otitis interna / labyrinthitis

554 Otosclerosis

555 Vestibular apparatus. Equilibrium. Spatial orientation. Include motion sickness, vertigo

558 Meniere's disease

560 Ear neoplasms

565 Therapy of ear diseases

568 Surgery

**AUDIOLOGY, HEARING, HEARING DISORDERS,
HEARING IMPAIRMENT, DEAFNESS**

- 570 Hearing. Audiology. Physiology of hearing
- 571 Audiology clinics
- 575 Hearing disorders. Hearing loss. Hearing impairment. Deafness. General works
- 577 Assessment of deafness. Audiometry. Function tests
- 579 Tinnitus
- 581 Deafness and hearing disorders in children
Include management of childhood deafness; teaching speech and language
See WS819 for screening in infancy
- 585 Treatment of deafness
Include surgery
- 587 Correction of hearing impairment. Hearing therapy. Aural rehabilitation
- 590 Hearing therapists
Include education and training
- 591 Communication.
Include lip reading and sign language
- 594 Hearing aids, hearing aid clinics and technicians.
Include environmental aspects and aids e.g. induction loops in theatres, teletext
subtitles, hearing dogs, telephone adaptations
- 599 Deaf-mutism

THE DEAF AND HEARING IMPAIRED

- 602 Directories and guides
- 604 Information, advisory and legal services. Advocacy
Include Royal National Institute for Deaf People (RNID)
- 608 Biographical accounts and popular works
Include accounts of institutional life

WV Otorhinolaryngology. Ear, Nose and Throat Medicine WV

- 610 Surveys. Assessment of need. Registers
- 613 Illness in the hearing impaired
Include hospital care, nursing etc
Include education and training of professional carers
- 618 Education and training for the hearing impaired
Include schools for the deaf
- 621 Attitudes to the hearing impaired
Include discrimination
- 625 Psychological aspects
- 627 Spiritual aspects
- 628 Social and economic aspects
Include employment, sympathetic hearing scheme, financial services and social security/benefits
- 630 Personal relationships
Include sexual aspects
- 635 Social welfare and social work. General works
Include counselling, residential and day care, home care and informal support, recreation etc
